## Haramain Recordings

The largest online resource for Haramain content  
for Recordings, News & Live Recordings.

# As'salamu'alaykum!

Haramain Recordings has been established since 2006 and offers daily updates from the two Holy Mosques. This includes daily prayers and sermons. Our content is updated daily and reaches 0.6 m of viewers every day.

Haramain Recordings has 5 major marketing platforms (Blog, Facebook, Twitter, Instagram and YouTube) which all offer a powerful and effective opportunity to promote and expand your organisation to a truly global.

Haramain Recordings is designed to give the global audience new content daily in order to benefit from the lectures, listen to the daily prayers from the Two Holy Mosques and keep up to date with official news from the General Presidency of the Haramain (GPH).

Haramain Recordings also offers its audience a live virtual feeling by sharing/publishing pictures and videos taking by visitors of the two Holy Mosque on a regular basis. This enables our audience to interact with the content Haramain Recordings publish on its social media platforms to keep all involved in the mission which is to connect oneself to the blessed lands.

Haramain Recordings offers a unique opportunity to keep the audience up to date to attach themselves with the Holy Book and the Two Holy Mosques.
